

Project Positions

IIT Gandhinagar (IITGN) invites applications for the following project positions for a research project on **Condition Assessment & Management Plan for Narmada River Basin** sponsored by *Ministry of Jal Shakti*.

1. Post-Doctoral Fellow (1 post)

Eligibility: PhD in Civil Engineering or a closely related field, such as Water Resources Engineering, Environmental Engineering, or Hydraulic Engineering.

Preferred Skills:

- River Engineering, Remote Sensing (RS) & Geographic Information Systems (GIS), Hydrological Modeling, Hydraulic Modeling
- Strong experience in fieldwork, data collection, and technical report writing

Duration: Initial appointment is for one year, extendable up to 3 years based on performance.

Remuneration: Rs 58000/month + HRA (if campus accommodation is not available)

2. Junior Research Fellow (1 posts)

Eligibility:

B.Tech./M.Tech. in Civil Engineering with minimum 60% marks or equivalent CGPA in aggregate. Valid gate score required for candidates with only B.Tech degree.

Preferred Skills:

River Engineering, RS and GIS, Hydrological modelling, Hydraulic modelling, Field work, Data collection, Report writing.

Duration: Initial appointment is for one year, extendable up to 3 years based on performance.

Remuneration: Rs 37,000/month + HRA (if campus accommodation is not available)

3. Field Assistants (2 posts)

Eligibility:

Bachelor's degree in any discipline

Preferred Skills:

- Experience in fieldwork and data collection
- Proficiency in MS Office Suite

Duration: Initial appointment is for one year, extendable up to 3 years based on performance.

Remuneration: Rs 23,000/month

Application Procedure: Candidates must send their applications via the google form <https://forms.gle/njVzAEzG15CmZtKa6> on or before 10th July, 2024. Please contact Prof. Pranab Mohapatra (pranabm@iitgn.ac.in) for any queries.
